

How to Join the BRIDGES EQUESTRIAN PONY CLUB:

1. Fill out the Application
 - a. Sign BOTH sides!
 - b. Include your check for \$120 made out to USPC for your yearly Dues.
 - c. Include your check for \$20 to So. Cal Region for Regional Dues
2. Give to Ruthanna (you can give it to an instructor, yard manager, or put it in the green box).

I will make two copies: I will keep one in the club file, send the original to the National Office and a copy to the region with your region dues. You will receive your membership from National, along with a Pony Club pin.

You will also need to buy:

1. A USPC Medical Release armband, for all the USPC events. You can buy this from the USPC website bookstore at www.ponyclub.org, or from our schedule site online store.
2. The "D" Manual. The cost is \$14.95 + shipping + tax.
3. A team shirt. You can order the shirt off of our website as well. Either the black polo or the green tee's are appropriate. The black polo is required for outside events.

That's it! Pony Club meetings are currently on Saturdays at 11:30 am. You can keep up-to-date with what is going on by visiting our website and following the link to our Pony Club page.

So glad you're joining us! Keep an eye on the bulletin board or the Website for our calendar of events. You will also be receiving emails just for Pony Club!

See you soon!
